### DC-Digital [DC-25C-2-EFF](#) Description

The DC-Digital [DC-25C-2-EFF](#) has been designed to be used in any application where a real-time count must be displayed for a large audience or over long distance indoors. Use this heavy duty display to track production, machine cycles, scrap, occupant's days without an accident etc. Use it to keep score or for any other count you need to monitor.

## [DC-25C-2-EFF](#) Mounting and Dimensions

There are (2) mounting tabs for easy mounting, with several screws secured to the wall.
