[DC-25T-UP-Days](#)

The DC-Digital [DC-25T-UP-Days](#) is designed to be used where a highly visible count up day timer is needed. The flexibility of this unique design gives it a broad range of applications in industry, government, schools and churches. It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black, extra tough powder coated enclosure gives it a professional look that will hold up in many harsh environments.

[DC-25T-UP-Days](#) Mounting and Dimensions

There are (6) keyhole mounting knockouts for easy attachment to an electrical handy-box or an electrical 4 square box or simply several screws secured to the wall. Also supplied are 4 adhesive backed rubber feet that can be adhered to the enclosure bottom for table or desk top mounting.
