[DC-406T-DN](#)

The DC-Digital [DC-406T-DN](#) is designed to be used where a highly visible hours, minutes and seconds countdown timer is needed. The flexibility of this unique design gives it a broad range of applications in industry, government, schools and churches. It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black extra tough powder coated enclosure gives it a professional look that will hold up in many harsh environments.

[DC-406T-DN](#) Mounting and Dimensions

There are (2) teardrop mountings for easy attachment to a couple of screws secured to a wall. Also supplied are 4 adhesive backed rubber feet that can be adhered to the enclosure bottom for table or Mount on a desk top.
