

4.0 inch Four-Digit Red LED Digital Counter with 2.4GHz RF Wireless Controls

DC-40C-W

Features

- Counts up to 9999
- Heavy duty all aluminum enclosure
- Increment, Decrement, Reset to zero
- RF Wireless controls (150' range)
- 1 year Warranty
- Visible up to 200Ft
- Large 4.0 Inch Super Bright LED's
- Made in the USA
- Factory Serviceable

Options

- Terminal block for hardwire connections
- Hardwired controls
- Wired remote control
- 24VDC Pulse for count input
- Input redundancy, Terminal blocks for hardwire connections and switches mounted on top
- Nema 4X IP66, IK08 rated enclosure
- 24VDC power
- 120 VAC 9 foot power cord
- Higher power RF Wireless controls
- 100s of options call 800-977-6872

Specifications

- **Input** 3 Function Membrane Switch Pushbutton (1) Increment, (1) Decrement, (1) Reset to Zero, 2.4GHz RF Wireless 1mW, sealed momentary pushbuttons.
- **Display** Four digit bar; high intensity; seven segment; red LED display
- **Case** All aluminum enclosure, 16.25"W x 6.75"H x 3"D
- **Weight** 5.0 Pounds
- **Power Source** 6 Watts; 90 – 240VAC 50/60 Hz (12VDC @ 700 mA power supply)
- **Operating Temp** 0° to 49° Celsius (32° to 120° Fahrenheit)
- **Case Finish** Finger Print Resistant, Tough, Black Textured Powder Coating

DC-40C-W Description

The DC-Digital DC-40C-W is designed to be used where a highly visible counter is needed. The flexibility of this unique design gives it a broad range of applications in schools, industry, governmental and churches. The RF (Radio Frequency) wireless controllability gives the user easy access and total freedom to all of its functions without sacrificing limited control as found in our competitors IR (Infrared Led) remotes. It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black extra tuff powder coated enclosure gives it a rugged look that will hold up in many harsh environments. This unit includes one wireless remote control (WRC-3-T). Additional wireless controllers are available for purchase.

DC-40C-W Mounting and Dimensions

There are (6) keyhole mounting knockouts for easy attachment to an electrical handy-box or an electrical 4 square box or simply several screws secured to the wall. Also supplied are 4 adhesive backed rubber feet that can be adhered to the enclosure bottom for table or desk top mounting.
