DC-60S Description

The DC-Digital DC-60S is designed to be used where a Large time of day clock is needed. The flexibility of this unique design gives it a broad range of applications in schools, industry, governmental and churches. It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black extra tough powder coated enclosure gives it a professional look that will hold up in many harsh environments.

DC-60S Mounting and Dimensions

There are (2) adjustable keyhole mounting tabs for easy attachment to a wall.
