## [DC-60UT](#)

The DC-Digital [DC-60UT](#) is designed to be used where a universal count up, countdown, timer and time of day clock is needed. The [DC-60UT](#) utilizes the **shift digit technology** that allows the user to see hours as well as hundredths of a second. The flexibility of this unique design gives it a broad range of applications in schools, industry, governmental and churches. The top mounted controls gives the user flexible and instant control at any time . It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black extra tuff powder coated enclosure gives it a professional look that will hold up in many harsh environments.

## DC-60UT Mounting and Dimensions

There are (2) teardrop mountings for easy attachment to a couple of screws secured to a wall. Also supplied are 4 adhesive backed rubber feet that can be adhered to the enclosure bottom for table or Mount on a desk top.
