[DC-60T-DN-BCD](#)

The DC-Digital [DC-60T-DN-BCD](#) is designed to be used where a highly visible countdown timer is needed. The [DC-60T-DN-BCD](#) utilizes the **shift digit technology** that allows the user to see minutes as well as hundredths of a second. The flexibility of this unique design gives it a broad range of applications in industry, government, schools and churches. The Internal terminal blocks allow for hardwired controls from PLC's , switches, relays and or sensors. It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black extra tough powder coated enclosure gives it a professional look that will hold up in many harsh environments.

DC-60T-DN-BCD Mounting and Dimensions

There are (2) teardrop mountings for easy attachment to a couple of screws secured to a wall. Also supplied are 4 adhesive backed rubber feet that can be adhered to the enclosure bottom for table or Mount on a desk top.
