## [DC-609T-UP](#)

The DC-Digital [DC-609T-UP](#) is designed to be used where a highly visible days, hours, minutes and seconds count up timer is needed. The flexibility of this unique design gives it a broad range of applications in industry, government, schools and churches. It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black extra tough powder coated enclosure gives it a professional look that will hold up in many harsh environments.
