[DC-60T-UP-Days-IN](#) Description

The DC-Digital [DC-60T-UP-Days-IN](#) is designed to be used in any application where any indoor rated, highly visible, 4 digit, push-button controlled, count up by days timer is needed. The flexibility of this unique design gives it a broad range of applications in industry, government, schools and churches. It can be used in either existing buildings or new construction. Long viewing distances are accomplished with its large red LED display. The all aluminum, black, extra tough powder coated enclosure gives it a professional look that will hold up in many harsh environments.

[DC-60T-UP-Days-IN](#) Mounting and Dimensions

There are (2) adjustable keyhole mounting tabs for easy attachment to a wall.
